

CJ2007 Boulevard Lake Sub Camp

Dear Scouter:

We were delighted to learn that we will be hosting your unit at the **Boulevard Lake Sub Camp** during CJ 07.

Our team has been working hard over the past year to ensure your CJ experience will be a memorable one. The sub camp staff is made up of Scouters and youth from the Saskatchewan, Manitoba and Northern Ontario Councils.

As Subcamp Chief, I am supported by Randy Hills as the deputy subcamp chief and head of our service team, Don McGillivray as QM, Maureen McConnell in Program, and Yvette Couture in Administration. They are all preparing their teams to ensure that you have a memorable Jamboree experience. during the time you call Boulevard Lake home.

The names for the CJ07 Sub Camps represent past Canadian Jamborees and Boulevard Lake was the home of the 1997 Canadian Jamboree in Thunder Bay Ontario.

We invite you to help spruce up our sub camp by bringing a few things with you.

- " A group necker and group crest to help decorate our sub camp gateway
- " A small sign with your group name and home town for your own camp site

Units are encouraged to build camp gateways at their sites. We also invite you to bring lots of group badges to trade. You can also contribute a badge (with a donation for charity) to our badge board. You could win all the badges at the end of the Jamboree.

A note of caution... the Boulevard Lake Sub Camp is situated in a heavily wooded area with uneven ground. Be prepared to be flexible when setting up your site. Sites will be sized according to the size of your unit and may not always be square.

One final point, if your unit arrives at the Subcamp after 10 pm you will be bedded down overnight in a temporary camping area. This is for your safety and so that you don't disturb other campers after quiet time. You will be directed to your campsite and allowed to set up in the morning. Please arrange your travel plans if possible so that you arrive during daylight hours.

If you have any questions about the subcamp between now and mid-July, please e-mail us at subcamp@boulevardlake.com and we will be pleased to respond. We look forward to meeting you in person.

Good Scouting

Bill Somers
Subcamp Chief
